COMMUNITY CHURCH

Priority #1:
RAISE FINAL \$800,000 ×

Finishing our original goal of \$4M to secure the down payment is our first bold step toward making this vision a reality, demonstrating our faith in God's provision and our commitment to building a place where lives will be transformed. Just as God calls us to plant seeds in faith before we see the harvest, this investment lays the foundation for a future of impact, community, and kingdom growth. Together, we have the opportunity to step forward in unity, believing that as we move in obedience, God will multiply our efforts beyond what we can imagine.

Priority #2:
SECURE A GREAT RATE ×

Securing a great interest rate is crucial to maximizing our resources and ensuring long-term sustainability for the vision God has entrusted to us. The bank's confidence in our annual budget, fueled by our continued monthly giving, reflects the strength of our commitment and demonstrates that we are responsible stewards of the blessings God has given. Our generosity - both in giving and in wise financial planning - will be the foundation upon which we build a future that honors God and empowers us to continue His work in the community, sustained by His provision and our faithful stewardship.

Priority #3:
BREAK GROUND ×

Breaking ground is the first tangible step toward bringing our vision to life, turning faith into action and laying the foundation for a place that will impact generations. It's not just about a building; it's about creating a space where lives are changed, families are strengthened, and God's love is made visible to our community.

MY VALUES:

The _____ (Your family name) family has decided to be led by faith and lead a life of radical generosity, not just in a moment, but as a lifestyle. We believe we can't outgive God and His blessing on our family is extravagant. We choose to give cheerfully now and for the future of our Crossline church community.
