

EVERY MOMENT NEEDS AN MVP

We're 90% there. Join our moment and finish the final 10% of our 4M goal!

"When tragedy removed my lower leg, it was my faith that helped me win in life - even though my professional golf career wasn't realized. Now, as parents to D1 athletes and mentors to professional athletes, my wife Melissa and I have found that sports - when anchored in faith - can help prepare children on how to overcome life's greatest challenges. At Crossline Community we may start with sports, but our job won't be done until every family in West Orange County is winning in life with Jesus." - Kevin Valentine, Senior Pastor @ Crossline Church
